PROFESSIONAL EXPERIENCE

NUS Office of the President (Health and Wellbeing)

Feb 2024 – Present

Associate Psychologist (Clinical and Data Science)

- Spearheaded frontline clinical operations, managing a caseload of >25 new clinical intake staff cases monthly
- Conducted intake sessions, case formulations and psychological interventions for clients under clinical supervision
- Streamlined clinical operations through simulation models, API calls, and web scraping of >30,000 staff profiles
- Reduced allocation times to <2 days and wait times to <10 days through process improvements
- Built an automated online triaging and assessment workflow, feeding data into a logic-based case allocation model
- Initiated data modelling (e.g., random forest) and visualisation practices (e.g., PowerBI dashboards)

Ministry of Social and Family Development (Child Protective Services)

Jul 2023 – Feb 2024

Assistant Manager (Intake and Data Science)

- Conducted regular triage and social investigations for child protection cases involving violence and sexual abuse
- Screened intake inquiries and directed cases to suitable agencies via standardised assessment tools
- Provided statutory intervention and coordinated case management for vulnerable children
- Revamped operations and re-designed existing processes to overhaul existing service delivery approaches
- Employed R and Python in tandem for efficient data extraction, predictive analytics and risk assessment regularly
